Dear Parents/Carers,

Seaholme Primary School is looking forward to a more settled year of teaching and learning and would like to advise you of the voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support from our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your contributions, whether that's through donations, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Seaholme Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents, whilst providing a diverse and impactful learning experience for all children.

The School Council has determined and approved the Curriculum Contributions, Extra-Curricular Activities and Other Contributions for all students.

Collection of Book Packs

In 2022, each student in grades Foundation to 6 shall receive their own Stationery and Book Pack. Parents of students in all year levels are NOT required to collect Stationery and Book Packs as they will be delivered to the classrooms.

Yours sincerely,

Ashley Craig Principal

Andrea Kehoe School Council President

Other Contributions - for non-curriculum items and activities	Amount
<p>Grounds Contribution (recommended per family)</p> <p>School Council believes it is very important that the school grounds are always kept neat, well maintained and safe for all children. A recommended voluntary annual contribution of \$30 per family will enable School Council to maintain the school grounds to a high standard without the need to conduct regular working bees.</p>	\$30.00
<p>Air Conditioning Contribution (recommended once per new family)</p> <p>School Council elected to have air conditioning installed in all classrooms. The financing of this facility is the school's responsibility, as the Government does not provide funds for air-conditioning. Families new to the school are asked to contribute to this cost with a recommended voluntary 'once only' contribution of \$50.00 per family. This is a modest contribution, but a most important one in order to meet regular running costs.</p>	\$50.00

<p>Building Fund Donation</p> <p>The Seaholme Primary School Council has set up a Building Fund that has a Deductible Gift Recipient status with the Australian Taxation Office. Total Amount	\$80.00

Educational items for students to own

Below is a list of items that the school recommends you purchase for your child to individually own and use.

- Large box of tissues (to be shared in the classroom).
- Library Bag: a new lightweight bag suitable for library/swimming/sport/excursions has been approved by School Council and is available from our uniform stockists DCS Uniforms, or alternatively a shopping bag could be used.
- Art smock: an old shirt/dustcoat will do, although the smock does need to be waterproof to resist paint stains etc.

Current supports in place include:

- The Camps, Sports and Excursions Fund (CSEF),
- An opportunity to purchase second-hand uniform, and
- Support from State School Relief.

If you have any questions in relation to the Parent Payments, please do not hesitate to contact Oria Cozzolino, Business Manager on 9398 2806.

Payment methods

Payments can be made via credit card, via the QKR! App, or EFTPOS at the office.

Please note:

- To minimise the risk to staff, and in keeping with the COVID precautions that have been implemented, no cash payments will be accepted.
- Payment for fees will not be taken on the morning of Monday 31 January 2022 as all staff will be focusing on transitioning all students from Foundation to Grade 6, quickly and safely into their classrooms.

Refunds

Effective from the 2022 school year, we will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account individual circumstances. In general, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp or swimming costs; where a child becomes unwell and cannot attend and the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.
