PURPOSE

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Seaholme Primary School owe to our students and members of the school community who visit and use the school premises.

SCOPE

This policy applies to all school staff, visitors and external providers. It also applies to school council members where indicated. This policy applies in all physical and online school environments used by students during or outside of school hours, including other locations provided by for a student's use ie school bus, school camps and excursions, and those provided through third-party providers.

The policy should be read together with our other child safety and wellbeing policies, procedures, and codes of conduct. (Refer to the related school policies section at the end of this policy)

POLICY IMPLEMENTATION

Duty of care is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

Seaholme Primary School will:

- ensure that Seaholme Primary School staff have an adequate awareness and understanding of their duty of care obligations and responsibilities to provide adequate supervision to students.
- ensure that Seaholme Primary School staff conduct themselves at all times consistently with these legal obligations and responsibilities.

Our school has developed policies and procedures to manage common risks in the school environment, including:

- Bullying Prevention Policy
- Camps and Excursions Policy
- Implementation of Child Safe Standards
- First Aid Policy
- Emergency Management procedures
- Mandatory Reporting procedures
- Occupational Health and Safety
- Volunteers Policy
- Visitors Policy
- Working with Children and Suitability Checks
- Yard Duty and Supervision Policy

Our school acknowledges we are required to take reasonable precautions to prevent the abuse of a child by an individual associated with the organisation while the child is under the care, supervision or authority of the organisation.

DUTY OF CARE POLICY

Staff at Seaholme Primary School understand that school activities involve different levels of risk, and that particular care may need to be taken to support younger students or students with additional needs. Particular attention is given to the *duty of care* of Aboriginal and Torres Strait Islander students, those from culturally and linguistically diverse backgrounds, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability.

Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.

School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

External Providers

Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students. Our *Visitors Policy* and *Camps and Excursions Policy* include information on the safety and care of our students when engaged with external providers.

This policy will be communicated to our school community in the following ways:
