Dear parent/carer/s of students in Grades 3 & 4 (2023 school year),

Seaholme Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to have a wider offering of subjects, special curriculum experiences and enhanced digital learning opportunities.

For further information on the Department's Parent Payments Policy please refer to the one-page overview attached.

Digital 1:1 iPad Program – Grades 3 & 4 (2023)

We are excited to implement a new 1:1 Digital Learning program in 2023 for students in Grades 3 and 4, which will continue through to the end of their schooling at Seaholme. Our goal is to prepare our students for an ever-evolving world where digital technology is accessible, encouraged and embedded in everything we do. Teaching our students to be safe, respectful, responsible and resilient online is a priority for the Seaholme community. We will partner with Seaholme families to create safe digital environments at school and home. Our 1:1 Digital Learning program will provide students with a supervised device, allowing the school and families to manage the content accessed. Students registered for the program will be provided with a personal iPad, a protective case with a keyboard, an Apple Pencil and educational applications for the duration of their education at Seaholme Primary School. Further information about the program is detailed in the attached document. Please note that students will not be disadvantaged if they do not participate in this program.

Collection of Book Packs

In 2023, each student in Grades Foundation to 6 will receive their own Stationery and Book Pack. Parents of students in all year levels are NOT required to collect the Stationery and Book Packs as they will be delivered directly to the classrooms.

We look forward to another year of 'success for all' at Seaholme Primary School!

Yours sincerely,

James Barger Acting Principal

Andrea Kehoe School Council President

Seaholme Primary School understands that some families may experience financial difficulty. If, for any reason, you experience difficulty making payments please contact James Barger, Acting Principal or Rachael Stevanovski, Acting Business Manager on 9398 2806 to confidentially discuss support options and payment arrangements. Current supports in place include:

- The Camps, Sports and Excursions Fund (CSEF),
- Payment plans for Extra-Curricular Items and Activities
- An opportunity to purchase second-hand uniform, and
- Support from State Schools Relief.

If you have any questions in relation to the Parent Payments, please do not hesitate to contact Rachael Stevanovski, Acting Business Manager on 9398 2806.

Payment methods

Payments can be made via the QKR! App which is the preferred method. Credit/Debit cards can also be accepted at the office or by completing your payment details on the pink form attached and returning it to the school office.

Please note:

- Unfortunately, payments cannot be taken on the morning of Monday 30 January 2023 as all staff will be focusing on transitioning students from Foundation to Grade 6, quickly and safely into their classrooms.

Refunds

We will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account individual circumstances. In general, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp or swimming costs; where a child becomes unwell and cannot attend and the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.
