PURPOSE

The purpose of this policy is to ensure that students and their parents understand and meet the school's expectation that all students will wear school uniform, and to assist parents in the provision of school clothing for students that is economical, serviceable and appropriate. The *Uniform and Dress Policy* exists so that Seaholme Primary School can ensure students are able to present themselves neatly and uniformly with pride by having access to good quality and price competitive clothing.

SCOPE

This policy applies to all students and their families at Seaholme Primary School. Students are expected to comply with the *Uniform and Dress Policy* while traveling to and from school, during school hours and when attending school activities.

POLICY IMPLEMENTATION

Seaholme Primary School believe that a dress code, including school uniform and acceptable wearing of other items, facilitates a sense of pride, belonging and safety.

The *Uniform and Dress Policy* aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Seaholme Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- facilitate identification of the school group and enhance the profile and identity of the school and its students within the wider community.
- Provide practical and affordable clothing for students, reflecting equal opportunity and social justice

This dress code has been developed by Seaholme Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community. The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families. Responsibility for the purchasing and selling of uniforms will rest with the uniform co-ordinator and/or Business Manager who will report to the Sub Committee of School Council. The School Council, through sub-committees will evaluate regular formal and informal feedback from all members of the school community regarding uniform and dress code. The uniform shop coordinator will report to Council via a monthly update to the management sub-committee with regard to changes.

If non-compliance with the dress code becomes a continued occurrence, the principal will be informed, and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.

Measures taken by Seaholme Primary School to address concerns about student non-compliance with the Uniform Policy will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

Exemptions to Student Uniform and Dress Code

We recognise that there may be situations where the application of this dress code may affect students unequally. Students and their parents or carers may apply either in writing or in person to the principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
