## PURPOSE

Our *Child Safety Code of Conduct* sets out the expected behaviour of adults with children and young people in our school. All Seaholme Primary School staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the *Child Safety Code of Conduct*.

The *Child Safety Code of Conduct* applies to all physical and online environments used by staff and students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

All staff, visitors, volunteers, parents, students and school council members of Seaholme Primary School are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children.

Our school has three core values, and we expect all people who enter our school to exhibit these:

**Respect:** Being honest and valuing ourselves, other people and property.

**Responsibility:** Behaving sensibly and making good choices.

**Resilience:** Coping and bouncing back after experiencing difficult situation.

Our values are linked to all learning areas and to personal and communal responsibility within and outside the classroom.
