PURPOSE

The purpose of this policy is to explain to parents/carers:

POLICY

There are many occasions during the school year where Seaholme Primary School staff photograph, film or record students participating in school activities or events, for example:

We do this for many reasons including to:

- showcase learning programs
- document a student's learning journey

- communicate with our parents/carers and school community in newsletters and on communication portals.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Seaholme Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Images to manage student behaviour or fulfil our school's legal obligations, including child safety

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:
